Security Forms

Information:

- Each of the applications that you request access to will require a separate completed DD2875 to be submitted by you. The forms will be generated and prepopulated during the registration process.
- Each DD2875 must contain either all digital signatures or all wet (manual) signatures, not a combination of both (digital signatures are the preferred method and will shorten the overall processing time).
- Your completed DD2875 must be received by our office within 30 (calendar) days of your request or it will expire and you will be required to re-register.
- Once the completed DD2875 has been received by our office, your access will be granted within 4 business days.
- Incomplete forms will be returned.

Instructions:

- Click on each application below to download its associated DD2875.
- Complete your portion of the DD2875 including the type of request, DLA userid (if you have one), date and all of part I, including your digital signature.
- Forward the DD2875 to your Supervisor for completion of Part II, including his/her digital signature.
- Your Supervisor will then forward the DD2875 to your local Security Representative for completion of Part III, including their digital signature.
- Your local Security Representative will forward the completed DD2875 back to you, the user.
- Forward the completed DD2875 to dlalogisticsinformationserviceacctmgmt@dla.mil for processing.

DLA Logistics Information Service Access Control Web Registration

Request(s) Accepted

Dear Customer

Thank you for taking the time to register for access into the DLA Logistics Information Service web application(s). We will process your request as fast as possible (usually 48 hours for a U.S. citizen) and contact you with your login userid and password via e-mail.

Thank you for allowing the DLA Logistics Information Service to provide logistics information to you and your organization. A complete list of DLA Logistics Information Service product and services is available on our website at www.dla.mil/dlis or by calling the DLA Customer Contact Center at 1-877-DLA-CALL.

Our mission is to provide interoperable, integrated, quality logistics data and enterprise IT solutions for joint war fighters, the Military Services, the Defense Department, other Federal agencies and international partners in order to optimize the effectiveness and efficiency of the DOD supply chain. In support of our mission, we provide numerous products for logistics information solutions. We also offer Tailored Data Products (TDP's) to meet your specific requirements. Further, all of our products and services are fully supported with training opportunities and our 24 hour Customer Contact Center staff.

Thanks again for letting us help you with your logistics information needs. We look forward to providing continuing support to you and your organization.

If you have any questions please send an e-mail to on-line@dla.mil. Include your userid (either permanent or temporary) in your e-mail so that we can better answer your questions.
